Good afternoon!

This message is intended for key contact persons for MG and other British car clubs in Ohio and the surrounding states, newsletter editors, chapter officers and others who may have an interest in the summer Gathering-Of-the-Faithful for the Ohio Chapter of the New England MG-T Register, local media and organizations for listing on their Calendar of Events and other third parties who have an interest in historic/sports cars clubs and meetings...

Plans are well underway and registration is now open for the Ohio Chapter GOF, June 15-17, 2012 at The Inn at Ohio Northern University, located in NW Ohio.

Details about all aspects of this meet, plus, the ability to register (both electronically, or, by printing out the paper form and mailing it in) can be found at the following Web address...

I hope this helps. Thanks for sharing this with your folks. Registration is now open and we're looking forward to hosting everyone for a great time here in the Village of Ada and Hardin County, Ohio! There is also an optional event on Thursday, June 14th... a trip to Indiana club member Carolee Snyder's nationally-known herb farm. (Some folks have indicated a desire to arrive as early as Wednesday evening in order to participate in this side trip and The Inn will honor our group rate from Wednesday through Sunday, as needed.)

As soon as everyone's plans are firmed up, they should go ahead and call The Inn at Ohio Northern University at [866-713-4513](tel:866-713-4513) to make their room reservations. Request "MG Car Club" for our special rates: \$95+tax/single, \$105+tax/couple; \$10+tax each additional adult (age 13+ which covers the cost of a full breakfast). The Ohio Chapter of the New England MG-T Register welcomes our MMM, MG-A, B, C and Midget friends, plus, other British sports car enthusiasts to participate in this event.

Thank you, again, everyone! Please let me know if you have any questions, or, if I may be of assistance to you or your chapter in any way.

Take care,

Dave

P.S. If you have contacts with vendors or other interested third parties, we will have sponsorship opportunities available and also a welcome packet for attendees, should you wish to contribute promotional items, plug your own upcoming events, etc. Thanks!
