CANADA'S HOME OF MOTOR RACING

Ladies and Gentlemen;

On the 27, 28, 29 and 30 of June 1991, Mosport Park in conjunction with SVRA (Sportscar Vintage Racing Association) will be conducting a major Vintage Festival -- the largest and most broadly-appealing event of its kind in Canada. We intend to incorporate several elements into the event including:

- A vintage Can-Am reunion with such famous marques as Chaparrals, Lolas, McLarens and Porsches etc.
- A concours d'elegance, featuring the world's most exotic vintage cars
- A full slate of vintage races, sanctioned and run by SVRA
- Concours for clubs

Why are we writing to tell you about this? To invite your club to participate! With the broad appeal of this event plus the fact that we have over 700 acres of space, your club is welcome to come and either display your vehicles or conduct a concours. Should your club wish to participate, we would provide the required amount of space free of charge and provide your club members tickets for the weekend at an agreed-upon discounted price.

The event will provide a forum for your club members to rub shoulders with automobile enthusiasts from Canada and the United States in a pleasant, parkland environment.

Knowing that this event will be one that your club will not want to miss, we request that you contact us to confirm your participation at your earliest convenience.

Yours truly,

Pete Notz
General Manager
Mosport Park Limited
