

The Dashpot

The July 2017 Edition

Two very successful events were conducted in the month of July.... The [OMGC Canada 150 Progressive BBQ Event](#) and the [Ottawa All British Car Day Event](#). The Progressive BBQ Event was enjoyed by 55 participants, hosted over 3 locations; and it didn't rain! The ABCD was attended by a huge number of vehicles & people; and the sun was out all day. It's wonderful to have experienced these two grand events with weather that makes sense!

June Meeting News:

The meeting was held at THE MANDARIN on Ogilvie Road. You may recall, the menu offerings were slightly altered just hours before the meeting - but I think the group table food approach did work out OK (perhaps with the exception of the tofu, but that's just me). Picture plaque awards were presented to the folks who organized the very successful Cheapo-Cheapo 2017 in May.

All British Car Day 2017

An almost unheard of weather phenomenon, bright sunshine, instead of the usual rainy skies, attended the Ottawa All British Car Day. The day celebrated the 70th Anniversary of the Land Rover!!
