

# The Dashpot

**August 2017; lots of information edition**

Has the recent rainy weather dampened your driving spirits? Are you reluctant to take a zip around the countryside in your MG fearing a monsoon deluge mid-run? Take heart..... MGers are often "smiled" upon by tough conditions, and still we continue to pull through!

In this small text box is information about [BOOK A CLASSIC](#). And some information about the [World's Largest Classic Car Restorer](#).

## July Meeting News:

The meeting was held at the OMGC Summer Picnic at the Swan's Nest near Wakefield. A hugely large note of thanks goes to Brian Swan & Sheila Silver (and to the many folks that added their helping hands to the effort). It was a great day; a wonderful bunch of food and desserts; a very interesting "seek-and-identify" game; and a successful technical session..... all disguised as a picnic!!!!

## **British Car Display at the Glengarry Highland Games 2017**

The uncertain weather forecast did have an affect on the usual large number of participants from British car clubs around the area. But 25 cars did make it out to the event, and it didn't rain..... until we were on the way home in the late afternoon. Thanks to all who bravely faced the forecast and enjoyed *The Games*!!
