Happy New Year! Following the November 2017 edition of **The Dashpot**, only a couple of things have happened: 1) the AGM [read about that in the Meeting News box below] and 2) the OMGC Christmas Party [from most accounts it was a “Best-Christmas-Party” success]. [Click here for pictures](#)

### November Meeting News:

The Annual General Meeting was held at the Carlingwood Restaurant. The new [Executive Committee members](#) were introduced. [\[click to see who is in the lineup\]](#) Some tentative events and target dates for the 2018 driving season were displayed. Information about club member driving distances in 2017 confirmed 9 club members would be eligible for the BCCI Long Distance Awards (to be presented at the February meeting). The Justin Tyme Award was “bashed about” by the bunch of folks who helped Trish Adams get Polly Blue to the British Invasion at Stowe, VT in mid-September. The Hugo Leech Memorial Award was presented to Mark Evenchick.

### Calabogie Motorsports Park - Winter Driving Clinic 2018

At a professional winter track in the main paddock on which you will learn proper braking techniques, how to control your vehicle in corners and how to react and avoid real world scenarios on varied levels of traction.
