

# The Dashpot

## June 2019

In a few months from now (November, 2019), the OMGC Annual General Meeting will be conducted. New Executives are needed for these portfolios: 1) ABCD Rep; 2) Communications; 3) Vice-President. I'll be sending notes and broadcasts to remind club members of these requirements. It's up to you to read and learn about these portfolios - and make a decision to help keep this club running smoothly!!!

**May Meeting News:** Gosh!! Deb & I missed the May meeting. Were you there? Sometimes schedules get all mixed up & things don't work out like the original plan.

### Owls Head Transportation Museum

[ remembering Dick Cobb (1931 - 2018) ]

Dick and his wife, Dottie, shared a deep passion for collecting and restoring vintage MG automobiles, many of which can be viewed at the Owls Head Transportation Museum: 117 Museum Street, PO Box 277, Owls Head, ME 04854

Visit: <http://owlshead.org/>

Jeremy Clarkson, Richard Hammond, and James May are in China exploring the 84,000 miles of motorway, more than any other country in the world including a bridge that is 34 miles long. Click here to see the YouTube video: <https://www.youtube.com/watch?v=4-XDxCb92X4>

### Classic Marques - The Story Of MG [ part 1 ]

Lots of great pictures of MGs (especially older MGs) in this article from CarAdvice.com. Click on the link below to read and enjoy:

**SATURDAY JUNE 8th was  
"OMGC Photo Op Day"**  
Many thanks to Julia Fortey (event manager/leader) for a really nice route from Kemptville to Spencerville.

[Click here to see some pictures.](#)

Club member Bruce Hygh sent me this little bit of reading information:

### MGZ Zetec Powered MGB
