

End Of Year Bulletin

December 2019

The November edition of *The Dashpot* is typically the last edition each year. This newsletter is being called an “end of year bulletin”, intended to remind club members of the status of the Executive Committee and the status of the event schedule for 2020. This is to be sure folks know what’s going on and what’s still needed to complete the **Executive Committee** structure and the **OMGC Event Calendar** for 2020.
