

Ottawa MG Club Valentines Gathering Event 2022

Before this COVID-19 situation arrived, typically, when OMGC folks get together for the annual Valentine's Gathering event, we would meet at a pre-determined local restaurant. We would play some easy table-top games and puzzles while sipping our cocktails, and then have a nice lunch.

As the COVID situation continues to be a concern the 2022 edition of the OMGC Valentines Gathering, **scheduled to start on Monday, February 7th, 2022**, will be conducted in a similar manner as last year. Instead of gathering at a local restaurant, we can remain at home and conduct the event using some easy to use technology..... your phone or camera and electronic mail (e-mail).

If you would like to participate, here is how it will work.....

Starting at 8am on Monday, February 7th 2022, the Event Moderator will send email messages with activities, clues and information hints to folks that wish to participate. (5 activities to be completed)

Participants then examine the text & images information in their email, and attempt to conduct the activities in the messages from the clues and hints provided.

When participants complete their activities, send an email with your answers back to the Event Moderator.

All activity results must be returned to the Moderator before NOON on Monday, February 14th 2022.

Responses will be reviewed and prizes awarded.
